RE: **Grasse River Superfund Site**
Massena, St. Lawrence County, New York

Dear Mr. McShea:

This letter is to approve the revised Final Design Report, dated June 2019, for remedial design activities at the Grasse River Superfund site. The Final Design Report for the Grasse River includes, among other appendices, a Construction Quality Assurance Plan and Draft Operations, Maintenance and Monitoring Plan. We look forward to continuing to work with you on the implementation of the remedy for the Grasse River site.

If you have any questions concerning this letter, please contact Young Chang, Remedial Project Manager at (212) 637-4253.

Sincerely,

A handwritten signature in black ink, appearing to read "Doug Garbarini".

Doug Garbarini, Chief
New York Remediation Branch
Superfund and Emergency Management Division
